

FELINE GRACE PURCHASE AGREEMENT

This contract made and entered on _____ day of _____. By agreement Xenia Ali herein after referred to as Felinegrace or seller, and _____, herein after referred to as buyer or purchaser enter into the following contract of sale.

Full payment required unless otherwise specified in conditions. No other warranties or conditions are either expressed or implied.

Your kitten is guaranteed to be healthy upon receipt. Kittens/cats shipped come with a health certificate, and a rabies shot if required and at least the first in a series of kitten shots.. The expenses involved in acquiring such documents required by the airlines for shipment and airline approved shipping containers are the responsibility of the buyer. Once the kitten/cat leaves these premises, it becomes the full responsibility of the purchaser, including all expenses, medical or otherwise. Kitten/cat must be isolated from all other animals for the first 3 days and must be kept indoors. Purchaser has 3 days (72 hours) to have the kitten examined by a licensed veterinarian and a report sent back to the seller or the 1 year guarantee is void. Buyer may return the kitten/cat, at the purchaser's expense, if after being examined by a licensed veterinarian, the health is found to be genetically life threatening and incurable. This vet must furnish Felinegrace, with a written diagnosis and be returned to the seller within 72 hours. Breeder (Felinegrace,) will replace the kitten/cat, with another of equal quality (when one becomes available) of the kitten/cat upon return to Felinegrace. The return and or shipping will be at the buyers expense. Shipping of the replacement cat/kitten will be the responsibility of the purchaser. **NO CASH REFUNDS WILL BE GIVEN. NO EXCEPTIONS.**

Health certificates, exams, test; rabies vaccines, shipping cost and all other medical and veterinary expenses, etc. are the sole responsibility of the purchaser. All sales are final after 3 days. **No vaccinations are to be given within the 72 hour interim. We do NOT vaccinate for FIP & Feline Leukemia and cannot guarantee the health of kittens/cats vaccinated for these diseases.** Field studies do NOT prove their protection adequate. These diseases are transmitted through fecal matter or orally, therefore, the best protection for your cat is to keep him/her indoors at all times and away from strange cats.

A kitten that becomes chronically ill with non-treatable, life threatening diseases, diagnosed as genetic, will be replaced when available. Breeder must receive a written report by a licensed veterinarian or autopsy report, proving the cause of such illness or death was resulting from a genetic defect. Breeder's liability for such defects shall be limited until the kitten reaches one year of age.

*New owner agrees to provide adequate scratching posts for kittens/cats, clean water at all times and the premium pet foods recommended. Kitten/cat must be kept indoors at all times.

*Kittens/cats and their offspring's born from or received from Felinegrace shall never be placed into, sold or given away to any other person, breeder, pet shop, shelter or any type of research facility. If you are no longer able to keep your kitty, you must contact us and make arrangements to return this cat/kitten to Felinegrace free of charge to seller. If the seller is unable to accept the cat/kitten back, Felinegrace will try to help with the placement of this cat/kitten in a forever home that will be approved by Felinegrace.

Deposit to reserve a kitten/cat and is non-refundable. Deposit does apply towards the purchase price. Kittens/cats may be reserved with a deposit & Sales Agreement signed by buyer and received by Felinegrace.
